Service and Support

At its foundation, Canon has an uncompromising dedication to product reliability, service, and support. From cutting-edge technology to industry-leading response times, Canon U.S.A. takes pride in delivering complete customer satisfaction. Canon's award-winning, 100% U.S.-based friendly and knowledgeable Customer Service Team provides expert assistance for every level of experience.

GENUINE Toner Cartridges

Designed by Canon engineers and manufactured in Canon facilities, GENUINE supplies are developed using precise specifications, so you can be confident that your Canon device will produce high-quality results consistently. Canon S-Toner produces a highly detailed toner image, ensures a precise transfer performance, and eliminates the need to use oil during fixing. The Single-Cartridge System combines the toner and drum into the same unit, which means you only have one consumable to replace.

Image Quality

Achieve high-quality printing and sharp, vibrant colors with **V² (Vivid and Vibrant) Color Technology**. This technology expands the color gamut of dark areas and shadows, in particular, for greater sharpness and detail.
